They are designed for the **Memphis** area to help ensure fair and competitive matches while maintaining good communication between teams and the Local League Coordinator. - Local areas that do not have a team signed up at any level of play at the registration deadline may have an additional month (unless the State League Play Deadline occurs first) to form a team, or a team may be formed at the approval of the State League Coordinator & the Championship Committee to advance straight to the USTA Tennessee Tri-Level Doubles Championships. Teams may continue to add players per each local league's regulation. No individual may register for a local team roster after the State League Play Deadline.

Team Regulations

- Each team shall appoint a captain to manage team activities and to represent the team in USTA League matters including Grievance matters. The captain is the person who is to communicate with the LLC and serves as the liaison between the players and the LLC. Captains must have a valid email address and phone number (**preferably cell**) listed in TennisLink. **Captains must secure and list a site for their home matches, designate that facility in TennisLink, and confirm site usage with the Tennis Director / Facility Coordinator prior to registering their team and by the team registration deadline.** Each team must have access to three courts for home matches. Teams will split the cost of courts for indoor matches if weather conditions make it impossible to play

outdoors and if BOTH captains agree to play indoors. Visiting teams will provide new balls for each match (standard Type 2 USTA approved balls).

- Captains MUST use the following format to name teams: Captain's Last Name/City (Smith/Memphis) If a facility has both hard courts and clay courts available for team play, the captain must designate "clay" if the team is to play their home matches on the clay courts. For example: Smith/Memphis - clay
- USTA Tennessee will have no residency requirements for this league.
- USTA Tennessee limits the number of players that may appear on a team roster. TN Tri-Level Doubles allows 18 players per team. (See table in section III.)

League Play

*All matches are played without officials but play is governed by the Rules of Tennis, ["The Code," as contained in the 2025 Friend at Court.](#)

- Both team lineups are to be exchanged at the scheduled match time. It is possible to begin play before match time if courts are available and both captains agree. In the event of illness, injury, disqualification, or ineligibility of a player prior to the start of an individual match (once the lineup has been exchanged), a team may substitute a player in the affected position within the 15-minute default time, using a player not already listed on the lineup. The substitute player is entitled to a five-minute warm-up. If no such substitution can be made, the affected position only will be defaulted in local leagues.
- For City Playoffs (not local league matches), the USTA lateness rule will be enforced: up to 5 minutes....loss of one game and loss of toss, up to 10 minutes....loss of 2 games and loss of toss, up to 15 minutes....loss of 3 games and loss of toss, greater than 15 minutes... default.
- There will be no coaching in any form allowed in Southern Tri-Level Doubles League matches. Teammates, spectators, and coaches may not comment on the line calls or scoring while a match is being played. The home team will be responsible for controlling their spectators' conduct during match play. The visiting team will be responsible for controlling their spectators' conduct during match play. Remember tennis etiquette when watching or playing a match.
- Cell phones must be turned off or silenced during play.
- Southern Tri-Level Doubles League matches in **Memphis** shall be the best of two sets with a Set Tiebreak (first to 7 by 2) used at 6 all in each set. In lieu of a third set, a Match Tiebreak (first to 10 by 2) will be played. The Coman Tiebreak Procedure will be used for all Set Tiebreaks and Match Tiebreaks. There will be a 2-minute set break at the end of each set, with no coaching allowed during the break.
- **Entering Scores.** Captains are responsible for entering and/or confirming match scores on Tennis Link. Captains need to verify and confirm the recorded match scores. All recorded scores will be final 48 hours from match time. If a mistake is made when entering scores and you have clicked out of the scorecard on TennisLink, you will have to email the LLC with the match number and correction. **Only the LLC can make a change to the scorecard.** Any disputes must be made on TennisLink and the LLC must be notified by email before the 48 hours is up.

- If scores are not entered into TennisLink within 48 hours, both captains may be subject to a local grievance and sanctions imposed by the Local Grievance Committee.
- If a match has begun and a player has to retire due to injury or illness, the match score to the point of default will be recorded on the scorecard (i.e.; 6-2, 2-1, 15-15, retired).
- **Winning captain should enter scores, but either captain may do so.**
- **Scorecard Placement & Defaults:** Players may play “up” one level (.5) within a Tri-Level match line-up. For example, a Tri-Level 18 & Over 4.0-3.0 team may place a 3.0 player in the #2 (3.5) and/or #3 (3.0) positions only.
- **Tennessee Individual Defaults:** If an individual default is necessary, the default can be at the original line in the match. For example, in a 4.0-3.0 match and a team has no 3.5's or 3.0's to play up, they can default line 2 the (3.5) position.
 - Two out of the three courts must be played to constitute a legal match.
 - If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to National regulation 2.01C(5) on team default procedures.
 - If a match must be defaulted, only the names of the player(s) receiving the default should be written on the scorecard.. The written score shall be 6-0,6-0; as if the match had been played.
 - If a captain knows ahead of time that he/she will default an entire team match, he/she must notify the LLC and the opposing team captain. If a team defaults an entire team match and that default affects the outcome of the local league, then all matches played by the defaulting team will be removed from the standings. If the defaulting team has no effect on the outcome of the local league, matches played by that team will stand and that team may be eligible to advance.
- **Inclement Weather:** *If play is interrupted by weather, darkness or other factors beyond the control of players, completed individual matches will stand as played. In the event that rain or inclement weather forces the cancellation and/or re-scheduling of a local league team match, the line-up would stand only for those positions that had already started (first service attempt) their match. All other positions, even those that were in warm-up may be changed including defaulted courts.*
 - Local League play may need to take place at the same date/times of USTA State, Southern, Sectional or National Championships or Invitationals. A team that has at least three players of one gender or of a level that are playing in such an event may reschedule their match. The three players must register *and* attend the championships for the team to be eligible to reschedule their match. The captain should email the opposing captain and the LLC via email at laurahuss@memphista.com *at least 7 days prior to the originally scheduled match date*. All matches **MUST** be completed by local deadlines.
 - If a match is rescheduled due to anything but weather or state championships, then 2 courts **MUST** be played on the scheduled date for any 3-court league, and the other court may be rescheduled within the 14 day make-up window. If a team reschedules 2 or more

matches for any other reason and does not play the minimum required courts, a suspension may occur for the next USTA league.

- If a written line-up has been exchanged but play did not start, substitutions from the team roster may be made on any non-default court(s). Forfeits offered verbally prior to the original line-up exchange are nullified when the match is rescheduled due to rain or inclement weather.
- Memphis Heat Rule: (effective July 6, 2020) - If the temperature is 94 degrees or higher in Memphis (*not heat index*) per weatherchannel.com at the scheduled match time, then the match may be rescheduled as long as it is played within the 14-day makeup rule, so long as it is prior to state league play deadline. You may still play the match if both captains agree to play.
- If a make-up match is required, the two team captains shall agree on a date for the make-up match. The individual courts do not have to be made up at the same time. Once the captains have agreed on a match date and time, that date and time is official and cannot be changed without the consent of the LLC. The new date, time and location should be emailed to laurahuss@memphista.com by both team captains. The match **MUST** be made up by the 14th day after the originally scheduled match. If captains cannot agree on a date, the match will automatically be scheduled for the 14th day from the originally scheduled date at 1PM for weekday teams and 6:30PM for weeknight teams. If the home facility cannot accommodate a match on the 14th day at the designated time, an alternate site will be used and the home team is responsible for the court cost, no exceptions. Not paying for court costs will be considered a default by the home team. LLC reserves the right to book the match at another facility if the home courts are not available on the 14th day. If that make-up is rained out, the match will be played on the next day at designated time and so on until the match is completed. No exceptions. Therefore, rain outs that occur the last weekend for league play will be scheduled immediately by the LLC.
- **In the event of a tie in league standings**, the tie will be broken by the first of the procedures listed below.
 1. Individual Matches: Winner of the most individual matches in the entire competition.
 2. Head-to-head: Winner of head-to-head match.
 3. Sets: Loser of the fewest number of sets.
 4. Games: Loser of the fewest number of games
 5. Game Winning Percentage: Total games won divided by total games played.
 6. If two teams are still tied for first place after a game winning percentage tiebreak, the LLC will schedule a playoff match to be held between the tied teams prior to the end of league deadline.

Championships

- Players who qualify to advance to a USTA Tennessee Tri-Level Doubles Championship may advance on more than one team within an age group only if they are different NTRP levels,

and the player must have qualified separately for each team. **No accommodations for scheduling will be made at any Championship for teams with players that may be competing on two or more teams during a championship.**

- In order to be eligible to play for a team at the USTA Tennessee Tri-Level Doubles Championships, a player must have played at least one match for that team during the local league season. Defaults received do count toward advancement. A retired match counts for all players.
