## V. League Play

- a. Lineups are to be exchanged at the scheduled match time, or before, if captains agree and are ready to play.
- b. In the event of illness, injury, disqualification, or no-show of a player prior to the start of an individual match (once the lineup has been exchanged), a team may substitute a player in the affected position within the 15-minute default time, using a player not already listed on the lineup. The substitute player is entitled to a five minute warm-up. If no such substitution can be made, the affected position only will be defaulted in local leagues.
  - i. During city playoffs\*, the USTA lateness rule will be enforced:
    - up to 5 minutes late - loss of one game and loss of toss
    - up to 10 minutes late - loss of 2 games and loss of toss
    - up to 15 minutes late - loss of 3 games and loss of toss
    - Greater than 15 minutes - default
- c. There is no coaching in any form allowed in USTA Mixed League matches. Cell phones must be turned off or silenced during play.
  - i. Teammates, spectators, and coaches may not comment on the line calls or scoring while a match is being played. The home team will be responsible for controlling spectators' conduct during match play. Remember tennis etiquette when watching or playing a match. All players are encouraged to familiarize themselves with *The Code*, which may be found at [usta.com](http://usta.com) (2020 Friend at Court). [The Code contains the Players' Guide to Fair Play and the Unwritten Rules of Tennis.](#)
- d. USTA Tennessee Mixed league matches in **Memphis** shall be:
  - i. All matches will be the best of three sets and the set tiebreak shall be used at 6-all in each set. In lieu of a third set, a match tiebreak shall be played. There will be a two minute set break at the end of each set with no coaching. All tiebreaks shall follow the Coman tiebreak procedure.
- e. In the event of a tie at the end of the season, in a team match or in league standings, the tie will be broken by the first of the following procedures that does so
  - i. Individual Matches. Winner of the most individual matches in the entire competition.
  - ii. Head-to-head. Winner of head-to-head match.
  - iii. Sets. Loser of the fewest number of sets.
  - iv. Games. Loser of the fewest number of games
  - v. Game Winning Percentage: Total games won divided by total games played.

V1.0 6/16/20

- vi. If two teams are still tied for 1st place after games lost tiebreak, then a one team playoff match will be held between the tied teams prior to the end of the league play deadline.
- f. Captains are responsible for entering and/or confirming match scores on Tennis Link. Captains need to verify and confirm the recorded match scores. All recorded scores will be final 48 hours from match time. If a mistake is made when entering scores and you have clicked out of the scorecard on TennisLink, you will have to email the LLC [laurahuss@memphista.com](mailto:laurahuss@memphista.com) with the match number and correction. **Only the LLC can make a change to the scorecard.** Any disputes must be made on TennisLink and the LLC must be notified by email before the 48 hours is up.
  - i. If scores are not entered into Tennislink within 48 hours, both captains may be subject to a local grievance and sanctions imposed by the Local Grievance Committee.
- g. If a team plays a local match without a full lineup, forfeits must be taken at #3 doubles.
- h. If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to National regulation 2.01C(5) on team default procedures.
- i. If a match has begun and a player has to retire due to injury or illness, the match score to the point of default will be recorded on the scorecard (i.e.; 6-2, 2-1, 15-15, retired).
- j. If a match must be forfeited, the name(s) of the forfeiting player(s) is not written on the scorecard,. Only the names of the player(s) receiving the default. The written score shall be 6-0,6-0; as if the match had been played.
- k. If a captain knows ahead of time he/she will forfeit an entire team match, he/she must notify the Local League Coordinator at [laurahuss@memphista.com](mailto:laurahuss@memphista.com) and the opposing team captain. If a team forfeits an entire team match and that forfeit affects the outcome of the local league, then all matches played by the forfeiting team will be removed from the standings. If the forfeiting team has no effect on the outcome of the local league, matches played by that team will stand and that team may be eligible to advance.
- l. If play is interrupted by weather, darkness or other factors beyond the control of players, completed individual matches will stand as played. In the event that rain or inclement weather forces the cancellation and/or re-scheduling of a local league team match, the line-up would stand only for those positions that had already started (first service attempt) their match. All other positions, even those that were in warm-up may be changed including defaulted courts.
  - i. An inclement weather reschedule becomes official if courts or conditions are unplayable for more than 40 minutes during the 2 hour block matches are scheduled to be played. (For summer Mixed in Memphis, this includes rain, lightning and darkness. There is no official heat rule in place.) The supervisor of the courts will

V1.0 6/16/20

- determine whether or not they are playable. If there is no supervisor, the team captains will jointly make the determination. If the captains are not able to reach one another to determine if a match is eligible for inclement weather reschedule, the teams must go to the courts and be prepared to play.
- ii. If match play has already started and the match is rained out or meets the criteria in the above regulation, all points, games and sets played at the time that the match was rained out will count. Make-up matches will begin at the point that they are terminated and may be resumed on an alternate surface if both captains agree. The players on the court should make note of the score (who is serving and all other matters concerning the match).
  - iii. If a written line-up has been exchanged but play did not start, substitutions from the team roster may be made on any non-default court(s). Forfeits offered verbally prior to the original line-up exchange are nullified when the match is rescheduled due to rain or inclement weather.
  - iv. If a make-up match is required, the two team captains shall agree on a date for the make-up match. The individual courts do not have to be made up at the same time. Once the captains have agreed on a match date and time, that date and time is official and cannot be changed without the consent of the LLC. The new date, time and location should be emailed to [laurahuss@memphista.com](mailto:laurahuss@memphista.com) by both team captains. The match MUST be made up by the 14th day after the originally scheduled match. If captains cannot agree on a date, the match will automatically be scheduled for 5PM on the 14th day from the originally scheduled date. If the home facility cannot accommodate a match on the 14th day at 5PM, an alternate site will be used and the home court is responsible for the court cost, no exceptions. Not paying for court cost will be considered a default by the home team. LLC reserves the right to book the match at another facility if the home courts are not available on the 14th day. If that make-up is rained out, the match will be played on the next day at 5PM and so on until the match is completed. No exceptions. Therefore, rain outs that occur the last weekend for league play will be scheduled immediately by the LLC.
  - v. Play may be necessary during State or Southern Adult League or any other USTA event. If there are four (4) players on a local mixed team attending these Championships of either one level or one gender, the captain may request of the Local League Coordinator to reschedule the affected mixed match. 4 of one level or 4 of one gender must attend the Championships for the team to be eligible for the reschedule. The captain should email the opposing captain and the Local League Coordinator via

V1.0 6/16/20

email at [laurahuss@memphista.com](mailto:laurahuss@memphista.com) at least 7 days prior to the originally scheduled match date. Please note all matches must be rescheduled prior to the first day of Sectionals. All matches MUST be completed by local deadlines.

- m. For each team match, a majority of individual matches must actually be played to constitute a valid team match. In a situation where the majority of individual matches would be not played (not a “valid” team match) the first course of action would be for both captains to agree on what individual matches, based on the number of players present, or to be present, can be played to constitute a valid team match. Once that is determined, both captains will re-exchange scorecards. If both captains cannot come to an agreement on what lines will be played to constitute a valid team match, based on the number of players present, or to be present, then the following individual matches will be assigned in sequential order to be played: #1 doubles, then #2 doubles.
- n. If both teams have enough players to play the match and it’s discovered after-the-fact that a majority of the matches were not played to constitute a valid team match, both captains need to come to an agreement of what lines will be played to make the team match valid. If captains cannot come to an agreement then the individual match(es) to be played will be assigned in sequential order. If a captain does not comply with this regulation, then it may be considered a full team default in favor of the opponents. If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to national regulation 2.01C(5) on team default procedures.

**VI. Championships**

- a. Players who qualify to advance to the USTA Tennessee State Championship for Mixed Doubles may advance on more than one team within an age group only if they are different NTRP levels. **No accommodations for scheduling will be made at any Championship for teams with players that may be competing on two or more teams during a championship.**
