### I. League Regulations

- a. Where not otherwise stated, USTA League National, Southern, and Tennessee Regulations have full force and applicability. Local regulations may be amended at any time by the USTA Tennessee Adult League Committee, or the Local Rules & Regulations Committee.
- b. Memphis defines itself as the counties of Shelby, Lauderdale, Tipton and Fayette. Teams competing in the Memphis Local Leagues must play in facilities that reside within the defined area.
- c. Each team shall appoint a captain to manage team activities and to represent the team in USTA League matters. The Captain is the person who is to communicate with the LLC and serves as the liaison between the players and the LLC, and therefore captains must have a valid email address and phone number (preferably cell number) listed in TennisLink.
- d. Captains must secure and list a site for their home matches, designate that facility in TennisLink, and confirm site usage with the Tennis Director / Facility Coordinator by team registration deadline. Each team must have access to three courts for home matches. Teams will split the cost of courts for indoor matches if weather conditions make it impossible to play outdoors and if BOTH captains agree to play indoors. Visiting teams will provide new balls for each match.
- e. New in 2022 Captains MUST use the following format to name teams: Last Name/City. For example: (Huss/Memphis)

- i. If a facility has both hard courts and clay courts available to team play, the captain must designate “clay” if the team is to play their home matches on that surface (ex: Huss/Memphis - clay).
- f. USTA Tennessee will have no residency requirements for teams that are in leagues with local play.
  - i. For teams that advance directly to the State Championship or play their local league at the State Championships, USTA Tennessee requires that at least 2 players of the team be residents of the local area from which that team is advancing.

**II. Individual Registration**

- a. All participants must be current members of the USTA.
- b. Players must be 18 years of age prior to participating in the USTA League program.
- c. Each player over the age of 18 shall have reached the required minimum age prior to or during the calendar year in which such player participates in his or her first local league.
- d. Each player will use his/her most current NTRP computer rating on file in TennisLink. Players who do not have a computer rating on file in TennisLink shall self-rate in accordance with the General & Experienced Player Guidelines.
  - 1. Self-ratings are valid for two years from the date issued or until replaced by a dynamic or computer rating.
  - 2. If a player does not have a valid computer (C) rating from a previous year, he/she must self-rate to be assigned a new rating, reassigned to their last expired rating or a higher rating based on their playing history. (For additional information concerning the rating program; see section 1.04F in the USTA National Regulations)

- l. Divisions may be divided into two or more flights with a playoff at the end of local play to determine the **Memphis** champion.

- m. If only one team is registered at deadline for any level, an extension of two weeks will be given to meet the National requirement of a minimum of 2 teams.
- n. All players are encouraged to opt in / subscribe to communications regarding their league in Tennis Link. These messages (text and/or email preferences) will come from the LLC regarding important information regarding the league(s) for which they are registered.
- o. Additionally, all captains and players are encouraged to visit <https://www.ustatn.com/adult-leagues/>, for helpful league resources.

### III. Local League Play

- a. Official Ball, a standard Type 2 USTA approved ball shall be used. All matches are played without officials, the USTA official publication, [The Code](#), shall be observed. Point Penalty Suspension System in effect for 2022.
- b. The team captain for each team shall exchange their team line-up simultaneously prior to the beginning of the team match.
- c. A player may participate in only one individual match within a team match.

- d. No substitution may be made in an individual match after the line up has been presented, except for injury to, illness of, or disqualification of a player prior to the start of an individual match. Once the lineup has been exchanged, a team may substitute a player in the affected position within the 15-minute default time, using a player not already listed on the lineup. The substitute player is entitled to a five-minute warm-up. If no such substitution can be made, the affected position only will be defaulted in local leagues.
- e. There is no coaching in any form allowed in USTA Mixed League matches. Cell phones must be turned off or silenced during play. [Teammates, spectators, and coaches may not comment on the line calls or scoring while a match is being played. The home team will be responsible for controlling spectators' conduct during match play. Remember tennis etiquette when watching or playing a match. All players are encouraged to familiarize themselves with \*The Code\*, which may be found at \[usta.com\]\(http://usta.com\) \(2022 Friend at Court\). \[The Code contains the Players' Guide to Fair Play and the Unwritten Rules of Tennis.\]\(#\)](#)
- f. USTA Tennessee Mixed league matches in **Memphis** shall be:
  - i. [All matches will be the best of three sets and the set tiebreak shall be used at 6-all in each set. In lieu of a third set, a match tiebreak shall be played. There will be a two-minute set break at the end of each set with no coaching. All tiebreaks shall follow the Coman tiebreak procedure. In the event of a tie in league standings, the tie will be broken by the first of the procedures listed below.](#)
    1. Individual Matches. Winner of the most individual matches in the entire competition.
    2. Head-to-head. Winner of head-to-head match.
    3. Sets. Loser of the fewest number of sets.
    4. Games. Loser of the fewest number of games
    5. Game Winning Percentage: Total games won divided by total games played.
    6. [If two teams are still tied for 1st place after games lost tiebreak and winning percentage, then a one team playoff match will be held between the tied teams prior to the end of the league play deadline.](#)
- g. Captains are responsible for entering and/or confirming match scores on Tennis Link. Captains need to verify and confirm the recorded match scores. All recorded scores will be final 48 hours from match time. If a mistake is made when entering scores and you have clicked out of the scorecard on TennisLink, [you will have to email the LLC with the match number and correction.](#) **Only the LLC can make a change to the scorecard.** Any disputes must be made on TennisLink and the LLC must be notified by email before the 48 hours is up.
  - i. If scores are not entered into TennisLink within 48 hours, both captains may be subject to a local grievance and sanctions imposed by the Local Grievance Committee.
- h. If a team plays a local match without a full lineup, forfeits must be taken at #3 doubles.
- i. If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to National regulation 2.01C(5) on team default procedures.
- j. If a match is begun and a player has to retire due to injury or illness, the match score to the point of default will be recorded on the scorecard (i.e.; 6-2, 2-1, 15-15, retired).

- k. If a match must be forfeited, the name(s) of the forfeiting player(s) are not written on the scorecard. Only the names of the player(s) receiving the default. The written score shall be 6-0,6-0; as if the match had been played.
- l. If a captain knows ahead of time he/she will forfeit an entire team match, he/she must notify the Local League Coordinator and the opposing team captain. If a team forfeits an entire team match and that forfeit affects the outcome of the local league, then all matches played by the forfeiting team will be removed from the standings. If the forfeiting team has no effect on the outcome of the local league, matches played by that team will stand and that team may be eligible to advance.
- m. If play is interrupted by weather, darkness or other factors beyond the control of players, completed individual matches will stand as played. In the event that rain or inclement weather forces the cancellation and/or re-scheduling of a local league team match, the line-up would stand only for those positions that had already started (first service attempt) their match. All other positions, even those that were in warm-up may be changed including defaulted courts.
  - i. An inclement weather reschedule becomes official if courts or conditions are unplayable for more than 40 minutes during the 2-hour block matches are scheduled to be played. (For summer Mixed in Memphis, this includes rain, lightning, darkness and heat. See below for local heat policy). The supervisor of the courts will determine whether or not they are playable. If there is no supervisor, the team captains will jointly make the determination. If the captains are not able to reach one another to determine if a match is eligible for inclement weather reschedule, the teams must go to the courts and be prepared to play.
  - ii. If match play has already started and the match is rained out or meets the criteria in the above regulation, all points, games and sets played at the time that the match was rained out will count. Make-up matches will begin at the point that they are terminated and may be resumed on an alternate surface if both captains agree. The players on the court should make note of the score (who is serving and all other matters concerning the match).
  - iii. If a written line-up has been exchanged but play did not start, substitutions from the team roster may be made on any non-default court(s). Forfeits offered verbally prior to the original line-up exchange are nullified when the match is rescheduled due to rain or inclement weather.
  - iv. If a make-up match is required, the two team captains shall agree on a date for the make-up match. The individual courts do not have to be made up at the same time. Once the captains have agreed on a match date and time, that date and time is official and cannot be changed without the consent of the LLC. The new date, time and location should be emailed to [laurahuss@memphista.com](mailto:laurahuss@memphista.com) by both team captains. The match MUST be made up by the 14th day after the originally scheduled match. If captains cannot agree on a date, the match will automatically be scheduled for 5PM on the 14th day from the originally scheduled date. If the home facility cannot

accommodate a match on the 14th day at 5PM, an alternate site will be used and the home court is responsible for the court cost, no exceptions. Not paying for court cost will be considered a default by the home team. LLC reserves the right to book the match at another facility if the home courts are not available on the 14th day. If that make-up is rained out, the match will be played on the next day at 5PM and so on until the match is completed. No exceptions. Therefore, rain outs that occur the last weekend for league play will be scheduled.

- v. Play may be necessary during State or Southern Adult League or any other USTA event. If there are four (4) players on a local mixed team attending these Championships of either one level or one gender, the captain may request of the Local League Coordinator to reschedule the affected mixed match. 4 of one level or 4 of one gender must attend the Championships for the team to be eligible for the reschedule. The captain should email the opposing captain and the Local League Coordinator via email at [laurahuss@memphista.com](mailto:laurahuss@memphista.com) *at least 7 days prior to the originally scheduled match date*. Please note all matches must be rescheduled prior to the first day of Sectionals. All matches MUST be completed by local deadlines.
- vi. If a match is rescheduled due to anything but weather or state championships, then 2 courts for a valid match MUST be played on the scheduled date for 3-court league and the other court may be rescheduled within the 14 day make-up window. If a team reschedules 2 or more matches for any other reason and does not play the minimum required courts, a suspension may occur for the next USTA league.
- vii. Memphis heat rule: (effective July 6, 2020) - If the temperature is 94 degrees or higher in Memphis (not heat index) per [weatherchannel.com](http://weatherchannel.com) at the scheduled match time, then the match may be rescheduled as long as it is played within the 14 day makeup rule, so long as it is prior to state league play deadline. You may still play the match if both captains agree to play.
- n. For each team match, a majority of individual matches must actually be played to constitute a valid team match. In a situation where the majority of individual matches would be not played (not a "valid" team match) the first course of action would be for both captains to agree on what individual matches, based on the number of players present, or to be present, can be played to constitute a valid team match. Once that is determined, both captains will re-exchange scorecards. If both captains cannot come to an agreement on what lines will be played to constitute a valid team match, based on the number of players present, or to be present, then the following individual matches will be assigned in sequential order to be played: #1 doubles, then #2 doubles.
- o. If both teams have enough players to play the match and it's discovered after-the-fact that a majority of the matches were not played to constitute a valid team match, both captains need to come to an agreement of what lines will be played to make the team match valid. If captains cannot come to an agreement, then the individual match(es) to be played will be assigned in sequential order in the above-mentioned regulation. If a captain does not comply with this regulation, then it may be considered a full team default in favor of the opponents.

If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to national regulation 2.01C(5) on team default procedures.

**IV. Championships**

Players who qualify to advance to the USTA Tennessee State Championship for USTA Mixed Doubles may advance on more than one team within an age group only if they are different NTRP levels. **No accommodations for scheduling will be made at any Championship for teams with players that may be competing on two or more teams during a championship.**
