

2026 Southern Combo Doubles Memphis, TN

The Southern Combo Doubles league features men's and women's teams playing three courts of doubles matches. The doubles teams use a combined NTRP rating that does not exceed the level on which they are playing. (Combo match results do not factor into your end-of-year [NTRP rating](#).) The unique format is what makes the COMBO DOUBLES league so fun! It also offers the chance to play with players you might not usually get to play with and make new friends & teammates ... *a great combination!*
