

MEMPHIS STANDARD LEAGUE REGULATIONS *(Revised 10/1/2024)*

Roster Rule:

A player may be added to the team roster up until the last day to add a player, but it must be before they step foot on court for the warm-up of the individual match they will play.

Forfeit Rule:

Any team/captain who has more than 4 forfeits in 18+ and 40+, or 3 forfeits in 55+ during one league season may be subject to a grievance being filed by the Local League Coordinator and suspension points may be applied.

Vacate Rule:

If your team's match is not finished by the time the next scheduled match is to start, your players will have to vacate the courts and finish per the inclement weather regulation, if one or both of the next scheduled match captains so desire. Please use common sense, and if perhaps the players are in a 3rd set tiebreaker, let them finish if feasible.

Inclement Weather Rule:

An inclement weather reschedule because of rain, snow, ice, darkness or weather below 40 degrees becomes official if courts or conditions are unplayable for more than 40 minutes during the 2 hour block matches are scheduled to be played. {see below for Memphis' heat rule.} The supervisor of the courts will determine whether they are playable; if there is no supervisor, the team captains will jointly make that determination. If the captains are not able to reach each other to determine if a match is eligible for inclement weather reschedule, the teams must go to the courts and be ready to play.

a.) If match play has already started and then the match is rained out, all points, games and sets played at the time the match is rained out will count; make-up matches will begin at the point they are terminated and may be played on an alternate surface if both captains agree. The players on the court should make note of the score, who is serving and all other matters concerning the match. If a team has forfeited a court on the original written and exchanged lineup, that forfeit stands and all players involved in such forfeits cannot participate in the reschedule. Forfeits offered verbally prior to the original written lineup exchange are nullified when the match is rescheduled due to rain or inclement weather.

b.) If a written line up has been exchanged between captains but play did not start, substitutions from the team roster may be made on any non default court. The individual courts do not have to be made up at the same time. **You may only substitute a player, not a whole court or whole lineup.**

c.) If a make-up match is required, the 2 team captains shall agree on a date for the make-up match. The individual courts do not have to be made up at the same time. Once the captains have agreed on a match date and time, that date and time is official and cannot be changed unless a player in the lineup is not available on that particular day, then the date may be changed within the 14 day make up policy, but the players may not be changed. The new match date, time and location should be emailed to the Local League Coordinator for the specific league and both team captains. Once this date has been agreed upon by both captains, the match date and time become official and the match date and time cannot be changed without the consent of the LLC. The match must be made up by the 14th day after the match was originally scheduled. If captains cannot agree on a date, the match will automatically be scheduled for 1:00 pm for weekday teams and 6:30 pm for weekend teams on the 14th day from the originally scheduled date. If that make-up time is rained out, the match will be played the next day at those times. If that make-up is rained out, the match will be played on the next day and so on until the match is played.

Keep in mind all matches must be completed by date in local league rules governing the specific league. Therefore, rain outs that occur the last weekend of league play will be scheduled immediately by the LLC.

d.) If a match is rescheduled due to anything but weather, school spring or fall breaks or state championships, then 3 courts need to be played on the scheduled date (or 2 courts for any 3 court league) and the other court(s) may be rescheduled within the 14 day make-up window if the other captain agrees. A captain does NOT have to agree with a reschedule request if it affects the lineup.

Heat Rule:

If the temperature is 94 degrees or higher (not heat index) per weatherchannel.com at the scheduled match time, then the match may be rescheduled as long as it is played within the 14 day makeup rule. You may still play the match if both captains agree to play.

USTA Championships Reschedule Rule:

A team that has at least 6 players that are playing in a USTA league championship for a Memphis based team may reschedule their match. The 6 players must go and attend the championships for the team to be eligible to reschedule their match. The captain of the team that needs to reschedule, must notify the opposing team captain at least 7 days prior to the scheduled match. Then, both captains must notify the LLC by email that the match is to be rescheduled. The same rules that apply to rainout reschedules will apply to this type of reschedule: Once the captains have agreed on a match date and time, that date and time is official and cannot be changed. The new match date, time and location must be emailed to LLC by both team captains. Once this date has been agreed upon by both captains, the match date and time become official and the match date and time cannot be changed without the consent of the LLC. The match must be made up by the 14th day after the match was originally scheduled. If captains cannot agree on a date, the match will automatically be scheduled for 1:00 pm for weekday teams and 6:30 pm for weekend teams on the 14th day from the originally scheduled date. If that make-up time is rained out, the match will be played the next day at 1:00 or 6:30 pm. If that make-up is rained out, the match will be played on the next day and so on until the match is played. Keep in mind all matches must be completed by date in local league rules governing the specific league. Therefore, rain outs that occur the last weekend of league play will be scheduled immediately by the LLC.

City Playoff Rule:

All teams playing in the city playoffs will be required to pay a \$250 security deposit (payable to MTA), which will be destroyed upon completion of city playoffs if the team has played all courts of its scheduled playoff matches. If a team knows that it will not be able to attend state championships, that team needs to decline the playoff bid and it will be given to the next place team in the bracket.

If a bracket/flight has more than 7 teams, the top 2 teams will advance to the local playoffs. If a bracket/flight has less than 7 teams, the top team only in that bracket/flight will advance to local playoffs. However, no more than 4 teams from each NTRP level will advance to playoffs. For instance, if there are three or more sub-flights at an NTRP level with more than 7 teams each, only the top team from each bracket will advance. All players must have played two local league matches to participate in local playoffs and beyond.

For city playoffs the USTA lateness rule will be enforced: 5 minutes penalty is loss of one game and loss of toss, 10 minutes penalty is loss of 2 games and loss of toss, 15 minutes penalty is loss of 3 games and loss of toss. Greater than 15 minutes late penalty is the default of court.

VIRTUAL LINE-UP EXCHANGES *(updated for 2025 Leagues & going forward)*

Beginning with 2025 leagues “virtual” line-up exchanges through your LLCs will be discontinued and no longer allowed (a courtesy that began in 2020 during Covid). Please see your applicable league Rules & Regulations regarding make-up match procedures prompted by weather interruptions or approved USTA Championship event / tournament reschedulings.
