\*\*\*Subject To Change\*\*\*

- a. Local play will begin as soon as needed to get all local play completed by the USTA Tennessee State league play deadline. Evening matches will occur in some leagues including 55 & over.
- b. It is the Captain's responsibility to ensure that any player added to a team after league play has started will have enough matches to qualify for advancement.
- c. Matches will be scheduled and posted on TennisLink by the LLC. Some divisions may be scheduled doubleheader matches so that all matches will be completed by the USTA TN deadlines.
- d. Weekend team matches will be scheduled on both Saturdays and Sundays. Saturday and Sunday play to start no earlier than 8 AM and no later than 6 PM.. On Saturday and Sunday the LLC will make it a priority to have the same NTRP but different age groups play on opposing days. For

example, if 40 & Over 3.5 women play on Sunday, then the goal is to have 18 & Over 3.5 women play on Saturday. If necessary to get all matches played by the deadlines, some/all teams may play both Saturday and Sunday in the same weekend. This will be avoided unless necessary to meet deadlines. If necessary, night matches may be scheduled after daylight savings time begins.

- e. Weekday play will be on Tuesday, Wednesday and Thursday. Overflow matches will be scheduled as allowed by the facility. See chart for further explanation. Weekday match times: 9 AM & 11 AM and if needed there could be a 1 PM match to accommodate all matches scheduled. Please be prepared for each team to have several 1 PM matches.
- f. 55 & Over will begin the third weekend of February. If indoor play, they will be on Saturday and/or Sunday or a weekday evening. Memphis Tennis Association will pay indoor costs for scheduled matches. Indoor play is not guaranteed, but every effort will be made to do this. Away teams will bring balls. Outdoor weekend matches will be scheduled by the LLC once indoor play is completed. During the outdoor season, the matches will be played the opposite weekend day that the same level of 40 & Over is played. For example, if 3.5 40 & Over women play on Sunday, then 3.5 55 & Over women will play on Saturday. This is to avoid conflicts for those 55 & Over that play 40 & Over on the weekends. If necessary, matches may be scheduled outdoors for 55 & Over during the weeknight once daylight savings time has started. Court fees are the teams' responsibility once play goes outdoors.

## **I. Individual Registration**

- a. All participants must be current members of the USTA.
- b. Players must be 18 years of age prior to participating in the USTA League program.
- c. Each player over the age of 18 shall have reached the required minimum age prior to or during the calendar year in which such player participates in his or her first local league.
- d. Each player will use his/her most current NTRP Computer Rating on file in TennisLink. Players who do not have a computer rating on file in TennisLink shall self-rate in accordance with the General & Experienced Player Guidelines.
  - 1. Self-ratings are valid for two years from the date issued or until replaced by a dynamic or computer rating.
  - 2. If a player does not have a valid computer (C) rating from a previous year, he/she must self-rate to be assigned a new rating, reassigned to their last expired rating or a higher rating based on their playing history.
    - i. No year-end ratings were published for 2020.
    - ii. For additional information concerning the Rating Program; see section 1.04F in the USTA National Regulations.
- e. A player will play at their current NTRP level and/or up one level above the current NTRP level. (For example: a 3.0 NTRP player may play at 3.0 and at 3.5)
- f. Players may play on different age levels and NTRP levels as long as they are eligible. Team captains are responsible for making sure that all team members meet eligibility criteria. Players not meeting the above eligibility criteria will be ineligible and any matches they have played will be defaulted.
- g. Each player must pay a \$29 league fee for each team that he/she is joining that will be charged during the registration process. In addition, there is a \$3.00 processing fee assessed from TennisLink at the time of registration. Total fee on TennisLink will be \$32 per registrant per team.

- h. Teams that are required to play local league at state will pay \$4.00 at time of registration. The TennisLink fee will also be charged when registering.
- i. Players requesting a refund must do so by contacting the LLC.
  - i. No refund will be offered beyond 1 week after the state league play deadline.
  - ii. Only players that did not play a match in the league season, and are not advancing to a state championship are eligible to request a refund.

## II. Team Regulations

- a. Each team shall appoint a captain to manage team activities and to represent the team in USTA League matters. The captain is the person who is to communicate with the LLC and serves as the liaison between the players and the LLC, and therefore captains must have a current email address and phone number listed in TennisLink.
- b. Captains **MUST** use the following format to name teams: Captain's Last Name/Location of CTA. For example: (Smith/Clarksville).
  - i. Home courts must be identified at time of registration or the Coordinator will assign courts. Captains must communicate with weekly opponents prior to match play to confirm matches about a week before the match and to communicate if playing on split courts.
  - ii. Home teams will pay the court fees for any regularly scheduled season matches. Visiting teams will provide new balls for each match. Teams will split the cost of indoor matches if weather conditions make it impossible to play outdoors and both captains have agreed to move indoors. Each team must have access to at least three courts for home matches. If a home court has numerous blackout dates and cannot accommodate half of the scheduled matches as "home matches" for a particular bracket, that team may be scheduled matches at a different site and will be required to pay the court costs as the "home team", or they may have less than 50% home matches. If a facility does not allow Tuesday play then teams may be required to play some overflow home matches at a different venue and be responsible for the court fees. The LLC will notify captains if this is a possibility before the schedule is made and give said teams an opportunity to change venues. It is best for teams to find an alternate facility if the home courts do not allow Tuesday play.
  - iii. Matches may be played on any court surface the home team chooses.
  - iv. If a team that plays on a clay surface only has 4 courts available but a 5th court is available on an alternate surface they may choose to play the 5th court on that surface. The match to be played on that alternate surface is always 3<sup>rd</sup> or 4<sup>th</sup> court doubles unless agreed upon by both captains prior to the exchange of lineups. If a match has begun and is interrupted by the weather, the teams may continue their match on an alternate surface, if both captains agree and if a court is available for play or if the match has to be played at another time.
- c. If any Adult Division Age Group consists of only two teams in a level of play, each team must maintain its roster with at least **40 percent** of its players at the designated NTRP level of play. The exception is the Adult Division 55 & Over Age Group that uses combined NTRP rating levels and will not be required to comply with this Regulation.

- d. Adult 65 & Over offers direct advancement, so the minimum 2 team levels do not apply.
- e. USTA Tennessee will have no residency requirements for teams that are in leagues with local play.
  - i. For teams that advance directly to the State Championship or play their local league at the State Championships, USTA Tennessee requires that at least **3 players** of the team be residents of the local area from which that team is advancing.
- f. USTA Tennessee limits the number of players that may appear on a team roster. Please see the table in Local Regulation IV. c for the maximum number of players on a roster in each league.

**III. League Regulations**

- a. If a Section, District or Local League does not have a regulation in place to address an issue, and there is a national regulation on that issue, the national regulation must be followed.
  - i. [Local Rules may be changed or edited upon approval from the Local Rules Committee.](#)
- b. **Memphis** defines itself as [Shelby, Lauderdale, Tipton, and Fayette counties](#). Teams competing in the **Memphis** Local Leagues must play in facilities that reside within the defined area.
- c. USTA Adult Leagues in **Memphis** are offered in the following divisions:

<u>Division</u>	<u>League Type</u>	<u>NTRP Levels</u>	<u>League Format</u>	<u>Minimum Number of Players Required For Legal Team</u>	<u>Maximum number of players allowed on team roster</u>
Adult	18 & Over	2.5, 5.0	1 Singles 2 Doubles	5	12
		3.0, 3.5, 4.0, 4.5	2 Singles 3 Doubles	8	18
	40 & Over	3.0, 3.5, 4.0,4.5	1 Singles 3 Doubles	7	16
		3.0, 3.5 4.0, 4.5	1 Singles 4 Doubles	9	20
	55 & Over	3.0, 3.5, 4.0, 9.0 combined	3 Doubles	6	14
		65 & Over	3.0, 3.5, 4.0, 9.0 combined	3 Doubles	6

**Divisions that play their “Local League” at USTA Tennessee State League Championships.**

**Adult 18 & Over -**

- 1. Adult 18 & Over 2.5 Men, 5.0 Men and Women
- 2. These levels must meet the State deadline of **May 26th, 2023** for team and individual registration. All players must be registered in TennisLink by **May 26<sup>th</sup>**.

**Adult 55 & Over -**

- 3. Adult 55 & Over 3.0 Men and 9.0 Men – These two divisions will play the local league at the USTA Tennessee State League Championship. NTRP rating level difference between partners shall not exceed 1.0. These levels must meet the State deadline of **April 28, 2023** for team and individual registration. All players must be registered in TL by **April 28<sup>th</sup>**.

- d. Divisions may be divided into two or more flights with a playoff at the end of local play to determine the **Memphis** champion. Cities may use either Full Round Robin or Partial Round Robin

as approved formats provided there is at least a single elimination playoff between the top two teams to establish a local league champion for that NTRP level.

- i. A level that has at least 12 teams might be subdivided into flights/brackets per the LLC's discretion. If a bracket has 5 or less teams it will play each team more than once and have a double round robin or a partial second round robin. Each bracket is guaranteed at least 5 matches. Brackets with 6 or more teams are guaranteed a single round robin only. An option to add additional matches to a bracket of 6 will be considered if court availability allows. This option could include a random drawing to schedule some of the teams in a flight to play each other twice, but not a full double round robin.
- e. If only one team is registered at the deadline for any level, an extension of two weeks will be given to meet the National requirement of a minimum of 2 teams.
  - i. There will be a weekday schedule made for any level of play that has a minimum of 2 teams registered by the deadline. If there is only one team in a weekday bracket, that team will be moved to the weekend bracket of the same age group and NTRP level. If there is only one weekend team in a bracket, the weekday teams will play against that one team on a weekend day and that weekend team will be moved to the weekday bracket, but all of their matches will be on the weekend. If there are more matches than the weeks of play, teams may have to work in matches, or will have two matches scheduled in one week. These matches will be scheduled on an alternate day, most likely Tuesday. Some matches may have to be scheduled by the captains. These matches will be treated like a makeup match. If a work in match has not been played by Wednesday, May 1 at 5pm Central Time for 18 & Over and for 40 & Over teams, the league coordinator will schedule the match and it will be made up whenever the LLC can secure courts at the home, away or neutral facility. The original home team will be responsible for court costs. Self-scheduled matches & make up matches need to be rescheduled between the captains. Once the date/time are set & confirmed, captains will email the exact match details to the LLC at [jackiemills@memphista.com](mailto:jackiemills@memphista.com). Brackets that do not have playoffs do not have to meet this May 1 deadline. Those teams must have matches completed by May 21 at 5pm for 18 & Over teams and for 40 & Over teams. Same rules apply for 55 & Over with a deadline of April 30 at 5 pm. Once the match is set, it is expected to be played at this time unless canceled by weather. This match will then follow the inclement weather policy.
- f. **Local League Play-** Official Ball, a standard Type 2 USTA approved ball shall be used. All matches are played without officials, but the USTA official publication, The Code, shall be observed at all times during play. The USTA Point Penalty Suspension System is in effect.
- g. The team captain for each team shall exchange their team line-up simultaneously prior to the beginning of the team match.
  - i. When individual matches in a team match do not begin all at the same time, the order of matches shall be as follows, unless both captains agree to change: #1 singles, #2 singles, #1 doubles, #2 doubles, and #3 doubles and #4 doubles for 40 & Over.
- h. A player may participate in only one individual match within each team match.

- i. No substitution may be made in an individual match after the line up has been presented, except for injury to, illness of, or disqualification of a player prior to the start of an individual match. A team may substitute a player in the affected position within the 15-minute default time, using a player not already listed in the lineup. The substitute player is entitled to a five-minute warm-up. If no such substitution can be made, the affected position only will be defaulted in local leagues.
- j. No coaching is allowed in USTA Adult League matches.
- k. Cell phones must be turned off or silenced during play.
- l. USTA Tennessee Adult league matches in **Memphis** shall be:
  - i. For city playoffs the USTA lateness rule will be enforced:
    1. 0 - 5 minutes late: loss of one game and loss of toss.
    2. 6-10 minutes late: loss of 2 games and loss of toss
    3. 11-15 minutes late: loss of 3 games and loss of toss,
    4. More than 15 minutes late: default.
  - ii. All local league matches will be the best of two sets with a Set Tiebreak (first to 7 by 2) used at 6 all in each set. After each set there is a two minute rest period allowed. There is NO changing of ends, unless it is a change over time. No coaching will be allowed during set breaks. After the first game of each set, players change ends without a rest period (continuous play). All other changeovers within a set will have a 90-second rest period. In lieu of a third set, a Match Tiebreak (first to 10 by 2) shall be played. The Coman Tiebreak Procedure will be used for all Set Tiebreaks and Match Tiebreaks in local league and State Championship matches.
  - iii. With the exception of 2.5 and 5.0, a team wins a team match if it wins three or more individual matches (courts). In 2.5 and 5.0, a team wins the team match if it wins two or more individual matches (courts). Team Standings can be viewed by the level/flight in Tennis Link.
- m. In the event of a tie in an individual team match:
  1. Sets. Loser of the fewest number of sets.
  2. Games. Loser of the fewest number of games.
  3. Game Winning Percentage. Total games won divided by total games played.
  4. Final tiebreaker: The team that wins #1 Doubles wins the match
- n. In the event of a tie in league standings, the tie will be broken by the first of the procedures listed below.

For a tie in league standings at the end of the season:

  1. Individual Matches. Winner of the most individual matches in the entire competition.
  2. Head-to-head. Winner of head-to-head match.
  3. Sets. Loser of the fewest number of sets.
  4. Games. Loser of the fewest number of games
  5. Game Winning Percentage: Total games won divided by total games played.
  6. If two teams are still tied for first place after games lost tiebreak and winning percentage, then a one team playoff match will be held between the tied teams prior to the end of league deadline.

- o. Captains are responsible for entering and/or confirming match scores on Tennis Link. Captains need to verify and confirm the recorded match scores. All recorded scores will be final 48 hours from match time. If a mistake is made when entering scores and you have clicked out of the scorecard on TennisLink, you will have to email the LLC with the match number and correction. **Only the LLC can make a change to the scorecard.** Any disputes must be made on TennisLink and the LLC must be notified by email before the 48 hours is up.
  - a. If scores are not entered into TennisLink within 48 hours, both captains may be subject to a local grievance and sanctions imposed by the Local Grievance Committee.
  - b. If a team plays a local match without a full lineup, forfeits must be taken according to the following formats:
  - c. If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to National regulation 2.03K on team default procedures.
    - 1 Singles/2 Doubles format, 1 Singles/3 Doubles, or 1 Singles/4 Doubles, forfeits must occur at either #1 singles or the lowest doubles position.
    - 2 Singles/3 Doubles formats, forfeits must occur at either #3 doubles or #2 singles.
    - 3 Doubles format, forfeits must occur at #3 Doubles.
  - d. If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to National regulation 2.03K on team default procedures.
  - e. If a match is begun and a player has to retire due to injury or illness, the match score to the point of default will be recorded on the scorecard (i.e.; 6-2, 2-1, 15-15, retired).
  - f. If a match must be forfeited, the name(s) of the forfeiting player(s) are not written on the scorecard. Only the names of the player(s) receiving the default. The written score shall be 6-0,6-0 with the win going to the person/team receiving default.
  - g. If a captain knows ahead of time that he/she will forfeit an entire team match, he/she must notify the Local League Coordinator and the opposing team captain. If a team forfeits an entire team match and that forfeit affects the outcome of the local league, then all matches played by the forfeiting team will be removed from the standings. If the forfeiting team has no effect on the outcome of the local league, matches played by that team will stand and that team may be eligible to advance.
  - h. If play is interrupted by weather, darkness or other factors beyond the control of players, completed individual matches will stand as played. If rain or inclement weather forces the cancellation and/or re-scheduling of a local league team match, the line-up would stand only for those positions that had already started (first service attempt) their match. All other positions, even those that were in warm-up may be changed including defaulted courts.
    - i. [An inclement weather reschedule because of rain, snow, ice, darkness or weather below 40 degrees or 94 degrees or above becomes official if courts or conditions are unplayable for more than 40 minutes during the 2 hour block matches are scheduled to be played. The temp needs to be confirmed on weather.com app or website. If colder than 40 degrees or 94 degrees or warmer than play may take place if both captains agree. The supervisor of the courts will determine whether they are playable; if there is no supervisor, the team captains will jointly make that determination. If the captains](#)

are not able to reach each other to determine if a match is eligible for inclement weather reschedule, the teams must go to the courts and be ready to play. Teams can play if the temperature is below 40 degrees if both captains agree.

- ii. If match play has already started and the match is rained out or meets the criteria in above regulation, all points, games and sets played at the time the match is rained out will count; make-up matches will begin at the point they are terminated and may be played on an alternate surface if both captains agree. The players on the court should make note of the score, who is serving and all other matters concerning the match.
- iii. If a written line up has been exchanged but play did not start, substitutions from the team roster may be made on any non default court. Forfeits offered verbally prior to the original lineup exchange are nullified when the match is rescheduled due to rain or inclement weather.
- iv. If a makeup match is required, the 2 team captains shall agree on a date for the makeup match. The individual courts do not have to be made up at the same time. Once the captains have agreed on a match date and time, that date and time is official and cannot be changed without the consent of the LLC. The new match date, time and location should be emailed to [jackiemills@memphista.com](mailto:jackiemills@memphista.com) by both team captains. The match must be made up by the 14<sup>th</sup> day after the match was originally scheduled. If captains cannot agree on a date, the match will automatically be scheduled for 5 pm on the 14<sup>th</sup> day from the originally scheduled date. If the home team facility cannot accommodate a match on this 14<sup>th</sup> day at 5 PM, an alternate site will be used and the home court IS responsible for court cost; no exceptions. Not paying for court cost will be considered a default by the home team. The LLC reserves the right to book the match at another facility if the home courts are not available on that 14th day. If that make-up time is rained out, the match will be played the next day at 5 pm. If that make-up is rained out, the match will be played on the next day and so on until the match is played. NO EXCEPTIONS! Therefore, rain outs that occur the last weekend of league play will be scheduled immediately by the LLC. NO EXCEPTIONS! It is highly recommended that make-up matches get scheduled by the two captains at a time and date agreeable to both. Captains are asked to be proactive and if it looks like inclement weather for the last weekend of play, then play the match early or get an indoor court to play this match on the scheduled day.
- v. Play may be necessary during other USTA events. A Memphis based team that has at least 6 players that are playing in a USTA TN championship, Sectionals or Nationals may reschedule their match. The 6 players must register, go and attend the championships for the team to be eligible to reschedule their match. The captain of the team that needs to reschedule, must notify the opposing team captain at least 7 days prior to the scheduled match. Once both captains agree to a reschedule date, the captains must notify the LLC by email at [jackiemills@memphista.com](mailto:jackiemills@memphista.com) that the match is rescheduled, with the exact date/time.. The same rules that apply to rain out reschedules will apply to this type of reschedule. NO EXCEPTIONS! Keep in mind all matches must be completed by local deadlines. Therefore, rain outs that occur the last weekend of league play will be scheduled immediately by the LLC. NO EXCEPTIONS!

- vi. If your team’s match is not finished by the time the next scheduled match scheduled on the same courts starts, your players will have to vacate the courts and finish per inclement weather policy if one or both of the next scheduled match captains so desire.
  - vii. Any team/captain who has more than 4 forfeits in 18 & Over and 40 & Over, or 3 forfeits in 55 & Over during one league season may be subject to a grievance and sanctioned for the next local USTA season. Sanctions will be determined by Tennessee State Grievance committee and can include up to a local league USTA season suspension.
  - viii. Matches are to be played on the scheduled match date . If a match is rescheduled due to anything but weather, school spring or fall breaks or state championships, then 3 courts MUST be played on the scheduled date (or 2 courts for any 3-court league) and the other court(s) may be rescheduled within the 14 day make-up window. If a team reschedules 2 or more matches for any other reason and does not play the minimum required courts, a suspension may occur for the next USTA league.
- m. For each team match, a majority of individual matches must actually be played to constitute a valid team match. In a situation where the majority of individual matches would be not played (not a “valid” team match) the first course of action would be for both captains to agree on what individual matches, based on the number of players present, or to be present, can be played to constitute a valid team match. Once that is determined, both captains will re-exchange scorecards. If both captains cannot come to an agreement on what lines will be played to constitute a valid team match, based on the number of players present, or to be present, then the following individual matches will be assigned in sequential order to be played:

<b><u>Format</u></b>	<b><u>Required Matches In Sequential</u></b>	<b><u>Minimum Number Of Players Required For Each Team In A Valid Team Match</u></b>
2 Singles/3 Doubles	#1 and #2 singles, and #1 doubles (priority); #2 doubles if enough players present	4
1 Singles/3 Doubles	#1 singles and #1 doubles and #2 doubles (priority)	5
1 Singles/2 Doubles	#1 singles and #1 doubles	3
1 Singles/4 Doubles	#1 singles, #1 doubles, and #2 doubles	5
3 Doubles	#1 and #2 doubles	4

- If both teams have enough players to play the match and it’s discovered after-the-fact that a majority of the matches were not played to constitute a valid team match, both captains need to come to an agreement of what lines will be played to make the team match valid. If captains cannot come to an agreement, then the individual match(es) to be played will be assigned in sequential order in the above-mentioned table. If a captain does not comply with this regulation, then it may be considered a full team

default in favor of the opponents. If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to national regulation 2.01L on team default procedures.

## **VI. Championships**

- a. Players who qualify for an Adult 18 & Over, Adult 40 & Over, Adult 55 & Over and/or Adult 65 & Over team(s) may advance on more than one team within an age group only if they are different NTRP levels and have qualified separately for each team. No accommodations for scheduling will be made at any Championship for teams with players that may be competing on two or more teams during a championship.
  - i. All players must play in two (2) matches locally to qualify for advancement to City Playoffs and State League Championships with only one (1) default counting. City playoffs are NOT considered local league play.
  - ii. If a bracket/flight has 7 or more teams, the top 2 teams will advance to the local playoffs. If a bracket/flight has 6 or less teams, the top team only in that bracket/flight will advance to local playoffs. No more than 4 teams from each NTRP level will advance to playoffs. If there are two brackets in both weekday and weekend, only the top team from each bracket will advance. If there are two brackets in weekday and 1 bracket in weekend or vice versa, only one team will advance from each bracket for a total of 3 teams advancing. All players must have played two local league matches to participate in local playoffs and beyond.
  - iii. In good sportsmanship and in fairness to other teams in a flight/bracket, if your team knows before playoffs start that your team cannot advance to the State Championships, then please let the LLC know when LLC polls eligible teams so that your team's spot in the playoffs can be offered to the next team in line. Playoff teams may be asked to commit to State Championships by email if the LLC requests. If a team enters the playoffs and knows they can't play a minimum of the courts for playoff matches, to have valid matches, or the team knows they will not advance to the state championships if given the opportunity a grievance will be filed on the captain and possibly team members.
  - iv. All teams playing in city playoffs will be required to submit a \$250 security deposit (payable to MTA), which will be destroyed upon completion of the city playoffs if the team has played all of the scheduled play off matches. Teams that win the city playoffs will have their check destroyed once they have committed to the state championships. If you know your team will not be going to the state championships, please do not play in the city playoffs. If a team does not meet all necessary requirements of playoffs the team will forfeit their check and it will be donated to St. Jude Children's Research Hospital.
- b. To be eligible to compete in a USTA Tennessee League State Championship, players must play:
  1. Two local matches on the same team required to advance to state championship for the Adult 18, 40, 55 & Over divisions.
  2. One default received shall count
  3. A retirement counts as a match played for all players involved.
  4. Refer to 2.03A for additional eligibility information

- c. Adult 65 & Over requires 1 local or state match to advance to sectional championship play with 1 default counting. For teams that are advancing to the sectional championships through local or state play, the one match requirement may be waived at the discretion of the Championship Committee for up to a maximum of two players per team.
- d. If there is no local and/or state competition offered for Adult 65 & Over, one team per state per NTRP level may advance directly to the sectional championships.
- e. Any local league having two (2) or more teams at any 65 & Over level must play a local league. If there is only one (1) team signed up at a level, that team may advance directly to the State Championship.
- f. The number of advancing from [Memphis](#) is determined by the chart below:

<u>Division</u>	<u>Number Of Local Teams At A Specific NTRP Level</u>	<u>Number Of Local Teams Advancing to State League Championship</u>
Adult 18 & Over/40 & Over/55 & Over	2 - 11	1
